

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF GEORGIA
ATLANTA DIVISION

ISRAEL CRUZ,
Movant

v.

UNITED STATES OF AMERICA,
Respondent.

CRIMINAL ACTION
NO. 1:05-CR-324-6-CAP

CIVIL ACTION NO. 1:10-CV-3698

O R D E R

This action is currently before the court on the Magistrate Judge's report and recommendation [Doc. No. 1336]. There are no objections thereto.¹ Having carefully considered the report and recommendation, and the record as whole, the court receives the report and recommendation [Doc. No. 1336] with approval and ADOPTS it as the opinion and order of this court.

SO ORDERED, this 29th day of July, 2011.

/s/ Charles A. Pannell, Jr.
CHARLES A. PANNELL, JR.
United States District Judge

¹ The movant filed a reply to supplemental response [Doc. No. 1340] indicating his objection to the fact that a magistrate judge issued an R&R and alternatively stating that he would file objections by July 27, 2011. Therefore, the court withheld ruling on the R&R in anticipation of those objections. However, the movant failed to file objection. Moreover, his objection to the fact that a magistrate judge issued an R&R is without merit. The magistrate judge is authorized to issue a Report and Recommendation on non-dispositive matters. 28 U.S.C. § 636(b)(1).
